

WARRANTY

Wilson Partitions warrants its products to be free from defects in material and workmanship from the date of initial delivery for (2) years, when the products are installed and used in accordance with the company's published instructions. This warranty extends to the buyer and or its customers. This warranty will not apply to any product that has been subject to accident, abuse, neglect, repairs and or alteration except by seller's employees or agents. Natural variations occurring in color and vinyl shall not be considered defects. Wilson Partitions does not guarantee the color fastness or the matching of the colors of such materials. No warranty is made with respect to non-standard materials selected by and used at the request of the customer.

Wilson Partitions' obligation and the purchaser's remedy pursuant to the foregoing warranty are limited as follows: repair and replacement, at the company's sole discretion, for products which prove to be defective within the remainder of the extended warranty period, after receiving the product.

The aforesaid warranties are expressly in lieu of all other warranties or representations, either expressed or implied, including any warranty of merchantability of fitness for any particular purpose. Under no circumstances will the company be liable for incidental or consequential damages.

Wilson Partitions' sole obligation is to repair or replace the defective product. The remedies stated herein are expressly agreed to be exclusive as a condition of sale. The company's liability with respect to its products will not exceed that expressly set forth above irrespective of the theory upon which any claim might be based, including breach of contract, warranty, negligence or strict liability of tort.
